NAMEF AWARDS GALA EVENING 07TH MARCH 2015

It has come to our attention that there is some confusion around the award calculations and nominations.

In 2014 NAMEF board announced the qualifying show system and circulated the Annex C to the riding community. This year's certificate award results are based on those shows and results are calculated according to our rules and regulations (ref to Trophy calculations), as well as the specification of each award/trophy.

The Eventing awards system was unanimously decided by the current NAMEF board to include the following show results from the qualifying shows being:

RVS Eventing February 2014

GCW Eventing Claratal

Sphixblick Eventing

Reitgemeinschaft Eventing Otjiwarongo

The list of nominations as per attached document are the 3 best results achieved from the qualifying shows for 2014. The **winner** for each category will be announced at the award evening. We count on your sportsmanship to attend this special evening in which we honour our winners and to support the fellow competitor.

Please note the updated list contains now additions for the NAMIBIAN WARBLOOD REWARDS as well as the MOST IMPROVED PAIR FOR 2014.

Kindly RSVP before or on the 24th February 2015. Please forward your EFT payments to equest@iway.na
